

4 Series 491

sku: 13694

DESCRIPTION

The Blue Clean 491 high pressure washer is a **high-performance machine** designed to remove **extreme dirt from large surfaces** with a maximum area of 90 square metres.

This high pressure washer is ideal for frequent use for **demanding jobs** where **high performance** is required, such as cleaning cars, motorcycles, swimming pools, stairs, floors, tools and encrusted walls.

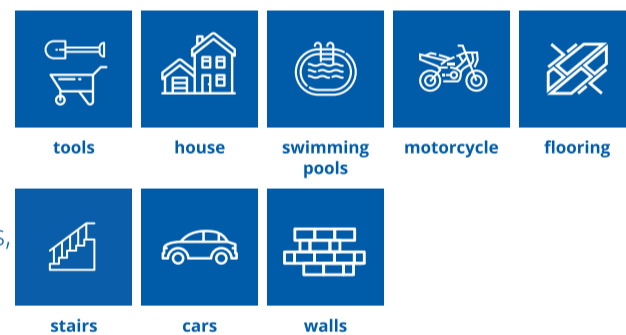

The Blue Clean 491 has a maximum pressure of 145 bar, a flow rate of 450 l/h for 2.1 kW of power.

Therefore good performance but also **easy to move and manage** because to its large wheels and ergonomic **soft grip** and non-slip handle.

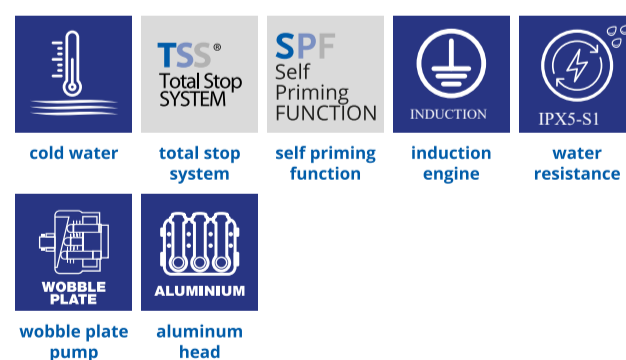

The Blue Clean 491 high pressure washer also takes up very little space thanks to its vertical, compact and modern design.

The machine is equipped with a practical **accessory holder** and a **hose reel**, designed to easily accommodate the 8 metre reinforced high pressure hose.

APPLICATIONS

TECHNICAL PROPERTIES

PERFORMANCE

TECHNICAL PROPERTIES

AR CODE	13694
Max pressure (bar)	145
Max flow rate (l/h)	450
Absorbed power (kW)	2,1
Revolutions / min (rpm)	2800
Voltage (V)	220-240

Single-phase induction motor pump

- 3 Axial stainless steel pistons wobble-plate pump with aluminium head
- Tempered stainless steel pistons
- Automatic safety valve that decreases the residual pressure, facilitates the operation of the gun lever and reduces hand fatigue
- Single-phase induction motor with thermal protector
- Remote control for total shut-down of high pressure washer
- High pressure sealing system with double seal
- Inlet water suction from tank by self priming function
